Dear Luke:

Enclosed are revisions to the Draft Analytical Results Report for the **Jones & Pardee Smelter** UTD 988075263, located in the mid-reach of Little Cottonwood Canyon, southeastern Salt Lake County, Utah. I spoke to you about these revisions when you last visited here in early December. The revisions are primarily to incorporate a campground map provided to me shortly after the report was sent to you. A few words were changed in the text to acknowledge the map and the figure number changes.

Please feel free to contact me if you have any questions or require additional information. My telephone number is (801) 536-4235.

Sincerely,

Helen L. Sadik-Macdonald, C.P.G.
